Explanation of Calculations

This is a monthly reconciled NEM statement. Your Total NEM Charges are shown in the table below. Your last monthly bill of the True-Up period (True-Up Statement) will occur in (05/2026).

YTD NEM Charges Before Taxes		\$24,546.30
YTD Non-Bypassable Charges	5,393.63	
Previously Billed NEM Charges		-21,659.11
Total NEM Charges		\$2,887.19

Calculation details: Each monthly billing period, you will see your YTD NEM Charges, which represent the total charges for energy used, net of any credits for energy exported to the power grid. Each month, the amount owed will be determined by the charges and credits you accrued since the beginning of your Annual True-Up period. The Annual True-Up process allows you to use credits generated in a given month to offset charges across other monthly billing periods within the year. The amount owed in a given month or True-Up period, however, cannot be lower than the sum of your YTD State Mandated Non-Bypassable Charges. In addition, generation is always charged, if positive.

To calculate what is owed in a given monthly billing period, the greater of the following Year-to-Date (YTD) charges accrued since the start of your Annual True-Up period is determined:

1) YTD NEM Charges Before Taxes (inclusive of Generation Charges¹)

All Previously Billed NEM Charges within the current Annual True-up period are subtracted from your Total NEM Charges. If your Previously Billed NEM Charges are greater than your YTD NEM Charges, you will see a credit to your account. All charges and credits will be reset to zero at True-Up.

Fixed charges and demand charges are billed separately each month and cannot be offset by NEM energy credits.

¹ Generation Charges are commodity costs related to energy usage. You can go to pge.com/electricrates to find the generation component of your electric charges.

² Refer to the Details of NEM Charges page in this bill for more information about the State Mandated Non-Bypassable Charges.

Proposition 65 WARNING

The Safe Drinking Water and Toxic Enforcement Act of 1986, commonly referred to as Proposition 65, requires the Governor to publish a list of chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. It also requires California businesses to warn the public quarterly of potential exposures to these chemicals that result from their operations.

Pacific Gas and Electric Company (PG&E) uses chemicals in our operations that are known to the State of California to cause cancer, birth defects or other reproductive harm.

For example, PG&E delivers natural gas to our customers and uses natural gas and petroleum products in our operations. Natural gas and petroleum products contain benzene, a known carcinogen. PG&E also uses lead-based paint on some of our towers or other facilities at locations throughout PG&E's service territory and uses wooden utility poles treated with wood preservatives. Lead-based paint and wood preservatives contain chemicals known to cause cancer, birth defects or other reproductive harm.

For more information, go to www.p65warnings.ca.gov.

REPORT TO THE BOARD

Meeting of: May 19, 2026

SUBJECT: *Approval of an Updated Legal Services Agreement with Lozano Smith*

PREPARED BY: Matthew M. Lear, District Counsel

ATTACHMENTS: Attachment 1 – Lozano Smith Legal Services Agreement (2026)

RECOMMENDATION:

That the Board approve an updated legal services agreement with Lozano Smith to continue serving as general counsel for the District.

BACKGROUND AND REASON FOR RECOMMENDATION:

The District and Lozano Smith originally entered into the existing Legal Services Agreement on or about September of 2009. Over the past 16 years, the Agreement has remained substantially unchanged, including the rates for legal services.

The proposed updated Legal Services Agreement would revise the rates for legal services in order to reflect the current market for such services being provided to public agencies and special districts, while allowing Lozano Smith to continue serving as legal counsel to the District.

FISCAL IMPACT:

The current Legal Services Agreement (2009) provides the following rates:

- Attorney services - \$165.00 per hour
- Law clerks and Paralegals - \$100.00 per hour.

The updated Legal Services Agreement (2026) would increase those rates as follows:

- Legal Services:
 - o Partners - \$300 per hour.
 - o Senior Counsel/Of Counsel - \$295 per hour.
 - o Associates - \$250 per hour.
 - o Paralegals/Law Clerks - \$180 per hour.

The updated Legal Services Agreement (2026) also contains an annual increase of four percent (4.0%) in each rate category referenced above beginning July 1, 2027.

ALTERNATIVES:

- Request revised terms of the updated Legal Services Agreement (2026).
- Direct staff to seek requests for proposals for legal services.

ACTIONS FOLLOWING APPROVAL:

Upon approval by the Board of Trustees for the District, the updated Legal Services Agreement would begin July 1, 2026.

AGREEMENT FOR LEGAL SERVICES

THIS AGREEMENT (“Agreement”) is effective July 1, 2026 (“Effective Date”), between the MADERA COUNTY MOSQUITO AND VECTOR CONTROL DISTRICT (“Client”) and the law firm of LOZANO SMITH, LLP (“Attorney”) (each a “Party” and collectively the “Parties”). Attorney shall provide legal services as requested by Client on the following terms and conditions:

1. **ENGAGEMENT.** Client hires Attorney on an as-requested basis as its legal counsel with respect to matters the Client refers to Attorney. When Client refers a matter to Attorney, Attorney shall confirm availability and ability to perform legal services regarding the matter. After Attorney has completed services for the specific matter referred by Client, then no continuing attorney-client relationship exists unless Client requests further services and Attorney accepts a new engagement. If Attorney undertakes to provide legal services to represent Client in such matters, Attorney shall keep Client informed of significant developments and respond to Client’s inquiries regarding those matters. Client understands that Attorney cannot guarantee any particular results, including the costs and expenses of representation. Client agrees to be forthcoming with Attorney, to cooperate with Attorney in protecting Client’s interests, to keep Attorney fully informed of developments material to Attorney’s representation of client, and to abide by this Agreement. Client is hereby advised of the right to seek independent legal advice regarding this Agreement.
2. **RATES TO BE CHARGED.** Client agrees to pay Attorney for services rendered based on the attached rate schedule. Agreements for legal fees on other-than-an-hourly basis may be made by mutual agreement for special projects (including as set forth in future addenda to this Agreement).
3. **REIMBURSEMENT.** Client agrees to reimburse Attorney for actual and necessary expenses and costs incurred in the course of providing legal services to Client, including but not limited to expert, consultant, mediation, arbitration fees and e-discovery service fees. Attorney shall not be required to advance costs on behalf of Client over the amount of \$1,000 unless otherwise agreed to in writing by Attorney. Typical expenses advanced for Client, without prior authorization, include messenger fees, witness fees, expedited delivery charges, travel expenses, court reporter fees and transcript fees. Client authorizes Attorney to retain experts or consultants to perform services necessary to represent Client for a specific matter.
4. **MONTHLY INVOICES.** Attorney shall send Client a statement for fees and costs incurred every calendar month (the “Statement”). Statements shall set forth the amount, rate and description of services provided. Client shall pay Attorney’s Statements within thirty (30) calendar days after receipt. An interest charge of one percent (1%) per month shall be assessed on balances that are more than thirty (30) calendar days past due, not to exceed 10% per annum.

5. **COMMUNICATIONS BETWEEN ATTORNEY AND CLIENT.** The Parties recognize that all legal advice provided by Attorney is protected by the Attorney-Client and Work Product Privileges. In addition to regular telephone, mail and other common business communication methods, Client hereby authorizes Attorney to use facsimile transmissions, cellular telephone calls and text, unencrypted email, and other electronic transmissions in communicating with Client. Unless otherwise instructed by Client, any such communications may include confidential information.

6. **POTENTIAL AND ACTUAL CONFLICTS OF INTEREST.** If Attorney becomes aware of any potential or actual conflict of interest between Client and one or more other clients represented by Attorney, Attorney will comply with applicable laws and rules of professional conduct.

7. **INDEPENDENT CONTRACTOR.** Attorney is an independent contractor and not an employee of Client.

8. **TERMINATION.**

a. Termination by Client. Client may discharge Attorney at any time, with or without cause, by written notice to Attorney.

b. Termination by Mutual Consent or by Attorney. Attorney may terminate its services at any time with Client's consent or for good cause. Good cause exists if (a) Client fails to pay Attorney's Statement within sixty (60) calendar days of its date; (b) Client fails to comply with other terms and conditions of this Agreement, including Client's duty to cooperate with Attorney in protecting Client's interests; (c) Client has failed to disclose material facts to Attorney; or (d) any other circumstance exists that requires termination of this engagement under the ethical rules applicable to Attorney. Additionally, to the extent allowed by law, Attorney may decline to provide services on new matters or may terminate the Agreement without cause upon written notice to Client if Attorney is not then providing any legal services to Client. Even if this Agreement is not terminated, under paragraph 1, an attorney-client relationship exists only when Attorney is providing legal services to Client.

c. Following Termination. Upon termination by either Party: (i) Client shall promptly pay all unpaid fees and costs for services provided or costs incurred pursuant to this Agreement up to the date of termination; (ii) unless otherwise required by law or agreed to by the Parties, Attorney will provide no legal services following notice of termination; (iii) Client will cooperate with Attorney in facilitating the orderly transfer of any outstanding matters to new counsel, including promptly signing a substitution of counsel form at Attorney's request; and (iv) Client shall, upon request, be provided the Client's file documents maintained for the Client by Attorney and shall sign acknowledgment of receipt upon delivery of that file. For all Statements received by Client from Attorney prior to the date of termination, Client's failure to notify Attorney in writing of any disagreement with either the services performed or the charges for those services as shown in the Statement within thirty (30) calendar days of the date of

termination shall be deemed Client's acceptance of and agreement with the Statement. For any billing appearing for the first time on a Statement received by Client from Attorney after the date of termination, failure to notify Attorney in writing of any disagreement with either the services performed or the charges for those services within thirty (30) calendar days from receipt of the Statement shall be deemed to signify Client's acceptance of and agreement with the Statement.

9. **MAINTENANCE OF INSURANCE.** Attorney agrees that, during the term of this Agreement, Attorney shall maintain commercial liability and professional errors and omissions insurance.

10. **CONSULTANT SERVICES.** Attorney works with professional consultants that provide services, including but not limited to, investigations, public relations, educational consulting, leadership mentoring and development, financial, budgeting, management auditing, board/superintendent/chancellor relations, administrator evaluation and best practices, and intergovernmental relations. Attorney does not share its legal fees with such consultants. Attorney may offer these services to Client upon request.

11. **DISPUTE RESOLUTION.**

a. **Mediation.** Except as otherwise set forth in this section, Client and Attorney agree to make a good faith effort to settle any dispute or claim that arises under this Agreement through discussions and negotiations and in compliance with applicable law. In the event of a claim or dispute, either Party may request, in writing to the other Party, to refer the dispute to mediation. This request shall be made within thirty (30) calendar days of the action giving rise to the dispute. Upon receipt of a request for mediation, both Parties shall make a good faith effort to select a mediator and complete the mediation process within sixty (60) calendar days. The mediator's fee shall be shared equally between Client and Attorney. Each Party shall bear its own attorney fees and costs. Whenever possible, any mediator selected shall have expertise in the area of the dispute and any selected mediator must be knowledgeable regarding the mediation process. No person shall serve as mediator in any dispute in which that person has any financial or personal interest in the outcome of the mediation. The mediator's recommendation for settlement, if any, is non-binding on the Parties. Mediation pursuant to this provision shall be private and confidential. Only the Parties and their representatives may attend any mediation session. Other persons may attend only with the written permission of both Parties. All persons who attend any mediation session shall be bound by the confidentiality requirements of California Evidence Code section 1115, et seq., and shall sign an agreement to that effect. Completion of mediation shall be a condition precedent to arbitration, unless the other Party refuses to cooperate in the setting of mediation.

b. **Dispute Regarding Fees.** Any dispute as to attorney fees and/or costs charged under this Agreement shall to the extent required by law be resolved under the California Mandatory Fee Arbitration Act (Bus. & Prof. Code §§ 6200, et seq.).

c. Binding Arbitration. Except as otherwise set forth in section (b) above, Client and Attorney agree to submit all disputes to final and binding arbitration, either following mediation which fails to resolve all disputes or in lieu of mediation as may be agreed by the Parties in writing. Either Party may make a written request to the other for arbitration. If made in lieu of mediation, the request must be made within sixty (60) calendar days of the action giving rise to the dispute. If the request for arbitration is made following an unsuccessful attempt to mediate the Parties' disputes, the request must be made within ten (10) calendar days of termination of the mediation. The Parties shall make a good faith attempt to select an arbitrator and complete the arbitration within ninety (90) calendar days. If there is no agreement on an arbitrator, the Parties shall use the Judicial Arbitration and Mediation Service (JAMS). The arbitrator's qualifications must meet the criteria set forth above for a mediator, except, in addition, the arbitrator shall be an attorney or a retired judge, unless otherwise agreed by the Parties. The arbitrator's fee shall be shared equally by both Parties. Each Party shall bear its own attorney fees and other costs. The arbitrator shall render a written decision and provide it to both Parties. The arbitrator may award any remedy or relief otherwise available in court and the decision shall set forth the reasons for the award. The arbitrator shall not have any authority to amend or modify this agreement. Any arbitration conducted pursuant to this paragraph shall be governed by California Code of Civil Procedure sections 1281, et seq. By signing this Agreement, Client acknowledges that this agreement to arbitrate results in a waiver of Client's right to a court or jury trial for any fee dispute or malpractice claim. This also means that Client is giving up Client's right to discovery and appeal. If Client later refuses to submit to arbitration after agreeing to do so, Client may be ordered to arbitrate pursuant to the provisions of California law. Client acknowledges that before signing this Agreement and agreeing to binding arbitration, Client is entitled, and has been given a reasonable opportunity, to seek the advice of independent counsel.

d. Effect of Termination. The terms and conditions of this section shall survive the termination of the Agreement.

12. **ENTIRE AGREEMENT.** This Agreement with its Professional Rate Schedule attached supersedes any and all other prior or contemporaneous oral or written agreements between the Parties. Each Party acknowledges that no representations, inducements, promises or agreements have been made by any person which are not incorporated herein, and that any other agreements shall be void. Furthermore, any modification of this Agreement shall only be effective if in writing signed by the Parties.

13. **SEVERABILITY.** Should any provision of this Agreement be held by a court of competent jurisdiction to be invalid, void or unenforceable, but the remainder of the Agreement can be enforced without failure of material consideration to any Party, then this Agreement shall not be affected and it shall remain in full force and effect, unless amended or modified by mutual consent of the Parties; provided, however, that if the invalidity or unenforceability of any provision of this Agreement results in a material failure of consideration, then, to the extent allowed by law, the Party adversely affected thereby shall

have the right in its sole discretion to terminate this Agreement upon providing written notice of such termination to the other Party.

14. NON-WAIVER. None of the provisions of this Agreement shall be considered waived by either Party unless such waiver is specified in writing.

15. NO THIRD PARTY RIGHTS. This Agreement shall not create any rights in, or inure to the benefit of, any third party.

16. ASSIGNMENT. The terms and conditions of this Agreement may not be assigned to any third party. Neither Party may assign any right of recovery under or related to the Agreement to any third party.

17. EXECUTION IN COUNTERPARTS; SIGNATURES. This Agreement may be executed in counterparts with signatures appearing on separate signature pages. A copy, or an original, with all signatures appended together shall be deemed a fully executed Agreement. Signatures transmitted by facsimile or electronic image shall be deemed original signatures and binding on the Parties.

WHEREFORE, the Parties hereto, by their signatures below, enter into this Agreement pursuant to the above terms and conditions as of the Effective Date.
